INSPIRE YOUR SUNDAY

Although food is our main love, it's not just about what's on the plate. We take great pride in the environment you sit in, and the themes of the restaurant are inspired by artists impressions of the local community. We hope you enjoy your special surroundings, and please feel free to take a look at our bespoke in-house gallery. We stock both international and local artists, and all art is for sale. Take a little bit of the City home with you today...
